

## Agenda

- 1) Testing
  - a. Hacksaw tool
    - i. Primary Focus
  - b. Strip Removal tool
    - i. Test again to see if it really works
  - c. New "Plug" tool
    - i. Build and test
  - d. Lathe tool
    - i. How do we proceed?
  - e. Reamer tool
    - i. Ready by design review
- 2) Design review
  - a. 1.5 Weeks away
  - b. Immediate future?
  - c. Primary testing this week?
  - d. Steps done before they come?
- 3) Thermal Calculation

## Notes

- 1) No thermal – abt .005"
- 2) Show all tools in design review – don't dwell on certain tools
- 3) We want the bulging video for design review
- 4) Explain how we lost a team member
- 5) Final testing this friday
